Here again you write that shortly you will collect and forward the rental due from the persons named in the list forwarded to you with my letter number as above of the 29th May, 1931.

The total amount collectable per the list was £P.O.600 mils, due from three persons at the rate of 200 mils from each.

Nobody will make me believe that it requires two months to get in 600 mils at the rate of 200 mils from each of the three debtors, and this proves to me what I have in mind for quite a long time that nothing is being done in Tulkarem in regard to the work of the Bank.

I am afraid that I shall have no alternative than to carry out the action I have indicated in a letter addressed to you recently regarding the officer and the office of the Bank at Tulkarem.

Subject:- Work of the Liquidation in the
Tulkarem Sub-District.

I have written to you continuously that I am not at all satisfied with the results that I see from Tulkarem in the way of settlement with debtors in respect of loans, settlement with debtors in respect of Bank property and collection of debts.

In your letter No.118 TM of 24.5.30 you have written to say that you intend going out to the villages yourself with a view to pushing forward the work of the Bank.

Have you been out to the villages in the Tulkarem, Jenin and Nazareth Sub-Districts ?

I am still awaiting to see the results of these visits.

I hate having to continuously repeat urging you in the matter of the work of the Bank but I have no alternative seeing that results to the present are so very poor, and I address you this letter in a definite way and warn you to take note of it as a final warning for better and quicker work in the liquidation in the Sub-Districts under your supervision.
